

ADA Complaint Process

It is Rome Transit's policy that no person shall, on the grounds of race, color, national origin, disability, sexual orientation, gender identity, or gender expression be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program, activities, or services for which Rome Transit receives Federal financial assistance.

Any person who believes they have been mistreated by an unlawful discriminatory practice under the Americans with Disabilities Act has a right to file a formal complaint with Rome Transit. Any such complaint must be made in writing or in person with Rome Transit's Disability Rights Coordinator within one hundred eighty (180) days following the date of the alleged discrimination occurrence. ADA Complaint forms may be obtained from Rome Transit administrative offices at no cost by calling **706-236-4523**, or via internet at (RomeFloyd.com). Electronic complaints will not be accepted. Anyone who requires assistance or a modification to complete the complaint form should contact the Disability Rights Coordinator at **(706-236-4523)** and TTY# **711 or 1-800-255-0056**.

You also have the right to file a complaint with an external entity such as the U.S. Department of Transportation (DOT), a federal or state agency, or a federal or state court. Should a complaint be filed with Rome Transit and an external entity simultaneously, the external complaint shall supersede the Rome Transit complaint and Rome Transit's complaint procedures will be suspended pending the external entity's findings.

Investigations

Within 10 working days of receipt of the formal complaint, the Disability Rights Coordinator will notify the complainant and begin an investigation (unless the complaint is filed with an external entity first or simultaneously). Rome Transit will serve as the Disability Rights Coordinator.

The investigation will address complaints against any Rome Transit department(s). The investigation will be conducted in conjunction with and under the advice of the Federal Transit Administration's Civil Rights Unit.

The investigation may include discussion(s) of the complaint with all affected parties to determine the problem or issue. The complainant may be represented by an attorney or other representative of his/her own choosing and may bring witnesses and present testimony and evidence in the course of the investigation.

The investigation will be conducted and completed within 60 days of the receipt of the formal complaint. Rome Transit system will track all ADA complaints in consultation with the Rome Transit Legal Department.

Based upon all the information received, an investigation report will be written by the Disability Rights Coordinator for submittal to the Transit Manager. The complainant will receive a letter stating the final decision of Rome Transit.

The complainant shall be notified of his/her right to appeal the decision to the City Manager and Transit Director. Appeals may be made to the State DOT agency or the Federal Transit Administration (FTA).
